

The "Golden Years" are a time to enjoy your home and visits with family and friends. Sometimes though, the effects of aging create challenges to enjoying an *Abundant Life*®.

That's when SilverSmart™ technology for everyday living can help individuals maintain their independence and live at home safely.

If you ever have trouble with any of the following, the SilverSmart™ technology team can help.

- Seeing things in your home
- Hearing the TV or your doorbell
- Hearing others on the phone
- Dressing or bathing
- Taking medications
- Preparing meals
- Household chores
- Paying bills
- Walking
- Getting in or out of your home
- Shopping or reading labels
- Falling in your home or community

## Live an **Abundant Life**\*...

For more information, call

877-862-6659

The SilverSmart<sup>™</sup> team provides the coordination of technology devices and appropriate services for health, wellness and safety; everyday living and environmental control. This includes, but is not limited to:

- Medication Reminders
- Vital Sign Monitoring
- Power Chairs/Scooters
- Driving
- Stair Glides
- Personal Emergency Response (PERS)
- Wandering
- Memory
- Appliance Usage
- Vision
- Hearing
- Activities of Daily Living
- Home Modifications

The Program Coordinators will work together with seniors, family members and a multi-dimensional team of professionals from therapy, private duty and home health to develop a comprehensive plan that allows seniors to Live an *Abundant Life*.

## If you would like:

- More information
- A Safety Check list
- To schedule a tour of the SilverSmart™ Tech Center or Smart Home
- To schedule a home assessment
- To refer a resident, participant, family member or friend
